WORK EXPERIENCES

FedEx delivery, part-time

06/12/2020 - ongoing

Professional hockey player

I was forward , yet universal -playing in all situations- on the first line, first power-play unit and killing penalties and helping the defense

I was a high scorer, yet my priority was team success -I always passed the puck to teammate who had better chance to score

I worked hard- after game or practice, I still added conditioning on the ground
